

About Legal Practice

Involved in all aspects of business laws in Vietnam, we assist clients from multi-national corporations to small & medium sized companies and individuals in establishing their [business presence in Vietnam](#) and help them during their operations. We provide clients with a full range of services including legal advice and research on all areas of laws, review and drafting of legal documents, attending to administrative procedures with State authorities, attending to negotiations with clients, and representing clients in litigation and arbitration proceedings for resolving disputes.

Vision & Associates Legal forms the legal arm of Vision & Associates which commits to follow the “vision” and try best endeavours to further develop the human resources and enrich expertises acquired by the former Legal Practice Group under Vision & Associates. Vision & Associates Legal is staffed with [lawyers](#) all with over 10 year legal practice and numerous talented young trainee lawyers with ambitions for professional success. With extensive experience of working together with foreign law firms in Vietnam and in the region, and the intensive engagement in a number of foreign invested projects and cross-border transactions, our lawyers are capable of offering clients local expertise as well as international experience.

Our lawyers are members of Hanoi Lawyers Association, Bar Associations of [Hanoi](#), [HCMC](#) and other provinces and cities, as well as other international professional associations including [Inter-Pacific Bar Association \(IPBA\)](#), [the Law Association for Asia and the Pacific \(LawAsia\)](#), etc. We have established close association relationship with leading international law firms from the UK, the US, Australia, France, Germany, Hong Kong, Singapore, Thailand, Malaysia, Indonesia and other countries. Our lawyers have been active in bringing [legal developments and updates](#) in the country to the

attention of clients in and to Vietnam.
